> DISCLAIMER (There's no point in reading this): ~sighs~ Here we go again. Okay, this is semi-by me and semi-by Susan Ru. Happy now? <hr>

Your eyes, so beautiful a baby blue

Filled with laughter would sparkle and shine

But now two deep blue water wells

Stare questioningly into mine

_____

I see a tiny sparkling diamond

Streak across your smooth satin cheek

There was a time when it took just one look

To make my heart melt and knees go weak

_____

There was a time when there was so much time

For us to talk night into day

Or to lie back and watch stars dance in the sky

When we had run out of things to say

_____

I watch that tear roll down your cheek

As I search for words to explain

The hurt that I feel that is tearing my heart

For being the cause of your pain

_____

Why does our heart never cease to ache

When we refuse our first love?

Perhaps it is the longing for our heart to soar

Again on the wings of a newborn dove.
